

How to find us

Located in the heart of Zurich, Witena's office is easily accessible within 2 minutes walking distance from Zurich Main Station.

By public transport

We recommend using trains, trams or buses with fast and frequent services to Zurich Main Station. Exit the station and walk on the Löwenstrasse. You find the entrance to our office on the right-hand side of the second block.

By plane

You reach us in only 15 minutes taking one of the several trains from Zurich International Airport to Zurich Main Station. The transfer by taxi takes you usually around 35 minutes.

By car

The public parking space in the centre of the city is limited. The proposed parking garages are in walking distance to our office:
